

Hanatech is proud to partner with EnerStar Solutions, one of the few AUTHORIZED RESELLERS of STARLINK across the globe, to bring your business the most reliable and efficient high-speed broadband internet available.

High-speed, low-latency broadband internet to businesses across the globe, even in the most rural and remote locations. High performance hardware with network priority business plans, enabling high throughput connectivity for sites of 20+ users, and demanding workloads.

FIXED	BRONZE	SILVER	GOLD
Service Plan Type	Fixed	Fixed	Fixed
Latency	25 - 50	25 - 50	25 - 50
Expected Download (Mbps)	40 - 220	40 - 220	40 - 220
Expected Upload (Mbps)	8 - 25	8 - 25	8 - 25
Priority Access Data Limit*	1 TB	2 TB	6 TB

HIGH PERFORMANCE SPECS

Best for power user, business, and enterprise applications. It allows better speeds at high temperatures, can connect to more satellites, and is more resilient to extreme environments.
